DISCUSSION

On January 25, 2010, the RT Board of Directors approved the release of a Request for Proposal (RFP) for Pre-Employment Medical Examinations and Disability Retirement Medical Examinations for a 5 year period. On February 3, 2010, the RFP was advertised in publications of general circulation, posted on RT's website under Contracting Opportunities and mailed to qualified firms. On March 1, 2010, proposals were received from Sacramento Occupational Medical Group, Kaiser On-the-Job, Sutter Medical Foundation and Mercy Medical Group. The proposal from Sacramento Occupational Medical Group was delivered after the proposal deadline and, consequently, was returned unopened and deemed non-responsive. The proposal from Kaiser On-the-Job did not meet all of the requirements of the RFP and was determined non-responsive. The evaluators ranked Sutter Medical Foundation and Mercy Medical Group equally, and both firms were invited to participate in oral presentations. The oral presentations were held on April 13, 2010. After the oral presentations, all members of the evaluation group selected Sutter Medical Foundation as the most-qualified firm to meet RT's needs.
