DISCUSSION

The South Sacramento Corridor Phase 2 project (Project) will extend Sacramento Regional Transit District's (RT's) light rail service from its existing terminus at Meadowview Road south and east 4.3 miles to Cosumnes River College (CRC). The extension will link the fastest growing portion of Sacramento County, the South Corridor, with Downtown, the northeast Sacramento corridor and Rancho Cordova or Folsom in the east corridor. The project includes four stations located at Morrison Creek, Franklin Boulevard, Center Parkway, and Cosumnes River College. The estimated project cost is \$270 million.

Citizens Telecommunications Company of California, Inc. ("Frontier") has facilities located in or adjacent to the right of way at the intersection of Cosumnes River Boulevard and Center Parkway. RT's design consultant, in consultation with RT staff, has determined that Frontier facilities require protection and/or relocation to construct the Project. Frontier will design and relocate its facilities under the proposed actual cost agreement. Frontier has provided an estimate of \$53,043.91 to

perform the design and relocation work, but this is only an estimate and the parties will amend the Agreement if Frontier notifies RT that the actual costs will exceed the estimate. RT will pay the \$53,043.91 cost up front and receive reimbursement from Frontier if the actual costs are lower.

RT staff recommends the Board approve the Utility Reimbursement Agreements with Frontier for the South Sacramento Corridor Phase 2 Project.
