## DISCUSSION

A portion of the property located at 3625 Reel Circle, (Sacramento County Assessor's Parcel Number 053-0104-006) is needed for construction of RT's South Sacramento Corridor Phase 2 Project (SSCP2).

On April 24, 2012, pursuant to authority granted by the Board, RT made a formal offer in the amount of its approved appraisal to the owner-of-record to purchase a portion of the subject property pursuant to Government Code Section 7267.2. Negotiations with the owners were unsuccessful. Despite numerous attempts made by telephone and mail, the owners refuse to speak to RT or its representatives. As a result, this transaction cannot be concluded voluntarily and it appears this acquisition will require resorting to the eminent domain process.

State law requires that RT hold a public hearing regarding the intent to adopt a Resolution of Necessity prior to filing an action in eminent domain, give notice to all persons listed on the last equalized County assessment roll, and allow at least 15 days for owners to respond to the notice. At the hearing, staff will present the need and necessity for the property. Owners and any others with an interest in the property will be given an opportunity to be heard. Adoption of the Resolution of Necessity requires a two-thirds vote of the Board.

The action currently before the Board is setting the date and time for the public hearing, which will be held at the regularly scheduled Board meeting on August 13, 2012. Staff recommends approval of the attached resolution setting a public hearing for adoption of a Resolution of Necessity for the property located at 3625 Reel Circle (APN: 053-0104-006).
