Subject: Memorandum of Agreement Between Regional Transit and AFSCME Local 146, Admin./Tech. Unit

Representatives of AFSCME and the District began meeting on May 17, 2011, to negotiate a Collective Bargaining Agreement (CBA) encompassing wages, hours and other terms and conditions of employment applicable to employees in the new bargaining unit. On April 24, 2012, the parties reached a tentative agreement on terms for a new CBA. Those tentatively agreed upon terms have been written into a Memorandum of Agreement, attached as Exhibit A, which, if approved by the Board, will be incorporated into a formal CBA.

The negotiating committees of the District and AFSCME fully endorse and recommend approval of the agreement as a full and complete settlement of all issues raised in negotiations. The bargaining unit membership ratified the terms of agreement earlier this month.

Since this is a new CBA, the parties negotiated agreement on nearly 50 issues. Many of the provisions are identical to, or are variations of provisions in existing agreements with other employee groups. One of the goals of the District's negotiating committee was to maintain as much continuity as possible with existing operational rules, policies and procedures.

The duration of the new agreement is 18 months, July 1, 2012 through December 31, 2013. In summary, the economic terms of the agreement provide for the following. Effective July 1, 2012, covered employees with current service on that date, who endured a wage freeze between June 8 and December 31, 2009, will receive a one-time salary increase of 5 percent (5%), not to exceed the maximum of the applicable pay range. Pay ranges will be reviewed annually in October using the "*World at Work*" index and, if appropriate, adjust ranges effective the following January 1st. Employees completing their new-hire probationary period on or after July 1, 2012, or employees passing their prior established annual anniversary dates, will receive a merit increase in salary, to be effective on that date, provided the increase does not exceed the maximum, of the range, for the job classification. There were no changes to existing health and welfare benefits (medical, dental, vision or life insurance coverages), or the retirement plan that resulted in an increase in current costs paid by either the District or employees.

Staff recommends approval of the terms and conditions for the new CBA, as set forth in the MOA that is attached to the accompanying Resolution as Exhibit A, with delegation of authority to the General Manager/CEO to execute the final CBA.

ARTICLE 22 – VOLUNTARY SUPPLEMENTAL SICK LEAVE ACCOUNT

ARTICLE 22 – VOLUNTARY SUPPLEMENTAL SICK LEAVE ACCOUNT

22.01 The purpose of this program is to provide for an extended paid leave of absence for bargaining unit members and other non-AFSCME-represented employees of the District who would not otherwise be eligible for a paid leave of absence. An employee is eligible for the extended leave if such employee, or an immediate family member of such employee, has suffered a catastrophic occurrence or illness including, but not limited to, a terminal illness.

22.02 Catastrophic Illness Or Injury Defined

A serious/extended illness or injury which is expected to incapacitate the employee and which creates a financial hardship because the employee has exhausted all of his/her sick leave and other leave credits. Catastrophic illness or injury may also include an incapacitated family member if this results in the employee being required to take time off from work for an extended period of time to care for the family member and the employee has exhausted all of his/her sick leave and other leave credits.

The prolonged illness or injury should preclude the employee from working and result in financial hardship, normally defined as at least two weeks without pay. Such catastrophic illness or injury may include, but is not limited to heart attack, stroke, kidney failure, cancer, incapacitating disease, major surgery, treatment for a life threatening illness, or hospitalization as a result of a serious automobile or other accident. The Director, Human Resources will make the final determination on the type of illness or injury and situation which would qualify the employee for use of the catastrophic leave program.

22.03 Eligibility - All bargaining unit employees are eligible to participate in this program, except that an employee may not donate accrued Sick Leave if his or her accrued Sick Leave balance would decline below 40 hours after making such a donation.

22.04 Participation in this program, as either a recipient or donor, shall be strictly voluntary. If the donor wishes his or her name may be released.

22.05 Definitions

- a) Donor: Donor means an eligible employee who transfers his or her paid leave to an account maintained for the benefit of an eligible recipient. A donor may transfer up to a maximum of two (2) days (16 hours) of paid leave to each Supplemental Sick Leave Account.
- b) Immediate Family Members: An immediate family member means a person who is eligible for dependent coverage under the employee's hospital insurance carrier.
- c) Paid Leave: Paid leave means an employee's accrued Sick Leave, accrued Vacation, and accrued Floating Holidays.
- d) Recipient: Recipient means any District employee, who meets the eligibility conditions precedent to the establishment of a Supplemental Sick Leave Account for the benefit of that employee.

22.06 Supplemental Sick Leave Account may be established and disbursed for the benefit of a recipient subject to the following conditions:

- a) An employee or family member of the employee is terminally ill, as diagnosed by a licensed physician and the prognosis is for a continued life span of 12 months or less, including time spent at death of the terminally ill person; or
- b) An employee or family member of the employee has been involved in a life threatening or other catastrophic occurrence, which requires immediate care by the recipient; and
- c) A Supplemental Sick Leave Account shall be limited to no more than two (2) accounts during a rolling twelve (12) month period.
- d) A Supplemental Sick Leave Account may not fund more than four hundred eighty (480) hours of paid Sick Leave, based upon the recipient employee's current hourly wage; and
- e) A Supplemental Sick Leave Account may not be disbursed to an employee unless the employee has 10 days (80 hours) or less of accrued Vacation and Sick Leave combined.

22.07 Establishment Of Supplemental Sick Leave Account

- a) The Human Resources Department shall circulate a memorandum to EMT Members and Department Managers/Directors when the conditions for establishment of a Supplemental Paid Sick Leave Account have been met. This determination shall be approved in advance by the District's General Manager/CEO. Donors who wish to transfer paid leave may do so by completing the approved form maintained by the

Human Resources Department. The donor form used by the Human Resources Department shall contain a declaration by the donor to the effect that the donation is to remain anonymous or the donor grants permission to reveal his or her name to the recipient. The Human Resources Department shall notify the Payroll Department of the recipient's name and the paid leave transfers that have been authorized, and the Payroll Department shall establish an appropriate account and code for this purpose.

- b) The Human Resources Department shall notify the recipient that a Supplemental Paid Sick Leave Account has been established pursuant to this program for the recipient's benefit. It will also notify the recipient of the amount of sick leave donated into the account. The recipient shall be instructed to record approved leave on the recipient's Employee Payroll Time Record as paid sick leave. If donor transfers of paid leave time exceed the amount required to fully fund a Supplemental Paid Sick Leave Account, the Human Resources Department shall process only the number of authorizations required to reach the full funding level. Those authorizations received first shall be processed first. Donation hours received in excess of those allowed per Article 22.06(d) will be immediately refunded to the donor. Donation hours not used will be refunded to the donor on a last received basis.

- c) A donation may only be made one time per donor for each occurrence in which a supplemental sick leave account has been established. That donation will only be accepted if it is submitted to the Human Resources Department within thirty (30) calendar days of the establishment of the Supplemental Sick Leave Account.

ARTICLE 30 – LAYOFF AND RECALL

ARTICLE 30 – LAYOFF AND RECALL

30.01 Definition of Layoff

Layoff shall be defined as an involuntary separation from employment, due to lack of funds and/or lack of work. If the DISTRICT determines that a layoff is necessary, the DISTRICT will meet with the UNION in a timely fashion to discuss the effects of the layoff and/or other options.

30.02 Order of Layoff

When a layoff is necessary, employees will be laid off to the extent practicable, for optimum operating efficiency, as determined by the DISTRICT, within the affected department and classification, in the following order:

1. Temporary Employees
2. Personal Services Contract Employees
3. Part-Time Employees
4. Full-Time Employees

In classifications where there are two (2) or more employees in the same affected employment classification, Employees will be laid off pursuant to the above criteria in the following order: lowest District seniority, lowest classification seniority in their department, lowest departmental seniority.

In the event there are two (2) or more employees with the same District seniority, classification and departmental seniority, a decision will be made by drawing lots.

30.03 Notification of Layoff

1. Written notification will be given to affected employees and the UNION as much in advance of the anticipated layoff date as possible, but no later than 45 calendar days. If a Federal or California Worker Adjustment and Retraining Notification (WARN) Act is applicable to the layoff, the DISTRICT shall provide affected employees notification of at least sixty (60) days. Notification will be hand delivered to the employee whenever possible. If the employee is unavailable for hand delivery, notification will

be mailed, via certified mail, to the employee's most recent address on record in the Human Resources Department

2. Bumping In Lieu of Layoff

When a layoff is deemed necessary, affected employees will be laid off in inverse order of their seniority as established in Article 11 and Article 30.02 above. In lieu of being laid off, an employee may elect demotion (bumping) to:

a. Any lower classification within the employees current job hierarchy/series

or

b. If employed in a job classification not part of a job hierarchy/series he or she may bump into the most recent job held within the last 24 months.

or

c. An individual notified of layoff and unable to bump into a position pursuant to a or b above, may apply for any position being recruited using the Internal/External process in Article 10.01 (c). If the employee is ultimately selected for the job, he or she will retain recall rights to the position from which he or she was to be laid off. If recall is declined, the employee will remain in the position of their then current employment.

In order to bump to a new classification, the employee must have more seniority than the employee that will be displaced per Article 11 of this MOU.

To be considered for demotion in lieu of layoff, an employee must notify the Director of Labor Relations in writing, within seven (7) calendar days of receipt of the notice of layoff.

30.04 Separation Upon Layoff

An employee who is laid off will be paid the balance of their accrued floating holidays, vacation, CTO, and 1/3 of their sick leave balance at the time of layoff.

30.05 Recall List

Individuals laid off will be placed on a Recall List for recall to openings in the job classification from which they were laid off, in District seniority order. The District shall fill a vacancy in these classifications from the list prior to filling the vacancy from any other source (except for employees on Light Duty).

30.06 Notification of Recall from Layoff

A notice of recall shall be sent by certified mail, return receipt requested, to the employee's most recent address of record. Employees will be given 15 calendar days from date of receipt of the notice in which to respond. In the event an employee on the recall list fails to respond within 15 calendar days, from the date of receipt or the notice is returned as "undeliverable", the employee will be removed from the Recall List for recall and the District may then notify the next most senior employee from the recall list.

30.07 Recall from Layoff

1. With the exception of temporary light duty assignments, a position in a classification vacant due to an employee(s) being laid off will not be filled by a new hire, contract worker or part-time worker until the recall procedure has been exhausted.
2. An offer of recall to the classification in the department from which the employee was laid off shall be sent by certified letter to the affected employee(s), in inverse order of layoff per Section 30.02.
 - a. If an individual is offered the opportunity to recall and declines the recall or is non-responsive to the letter, he or she will be removed from the Recall List.
3. If a vacancy is not filled by the individual previously holding the classification in the department which has been identified for recall, RT will notify all others within the same job classification in different departments of the vacancy on the current Recall List. Award of the vacancy will be based upon District seniority. Individuals declining the opportunity for this recall will remain on the Recall List for a vacancy in the classification in the department from which he or she was originally laid off.
4. An individual returning to a position in a classification other than that held when originally laid off shall retain recall rights to the position from which he or she was originally laid off, should a recall be issued within the 24 month recall period.
5. A position not filled after exhausting this recall procedure will be filled through the Districts customary recruitment procedures, per Article 10 of this MOU.

6. An individual returning to employment pursuant to accepting a recall offer shall return with his or her pre-layoff District service intact and will begin accruing benefit entitlement at the pre-layoff rate. The balance of the employee's sick leave that was not paid to the employee upon layoff shall be reinstated to the employees leave balances.

The

DISTRICT may request verification from the employee that he/she is continuing participation in a medical insurance plan through another source. The employee must provide satisfactory documentation of his/her participation within fifteen (15) calendar days of the DISTRICT'S request.

An employee not paying the delinquent premium will be dropped from coverage. In the event an employee is not in “active service” due to an industrial illness or injury, the benefit continuation time period shall be extended from 6 months to 18 months under the same terms and conditions. - 38.01 All employees covered by this Agreement deemed to be safety-sensitive pursuant to the Department of Transportation (DOT) and Federal Transit Administration (FTA) Testing Regulations (49 CFR Parts 40 and 655) or non safety-sensitive as identified in the District's Drug and Alcohol Testing and Rehabilitation Policy are required to comply with all applicable provisions of the DISTRICT'S adopted Drug and Alcohol Testing and Rehabilitation Policy, as revised. Job Classifications designated as safety-sensitive or non safety-sensitive are identified in the District's Drug and Alcohol Testing and Rehabilitation Policy. The Policy, as may be amended from time to time to maintain compliance with DOT FTA Drug and Alcohol Testing Regulations, will be distributed to all employees following adoption of mandatory changes. Aspects of the Policy not required by the regulations are subject to negotiations by the parties.
- 38.02 Nothing herein shall be interpreted so as to limit the DISTRICT'S right to assess disciplinary action, including termination for misconduct associated with a decision to direct a prohibited substance test under the terms of this Policy. Issues related to the administration of the program may be made the subject of a grievance as outlined in the Collective Bargaining Agreement.
- 38.03 An employee directed to undergo a drug and/or alcohol test pursuant to the Policy shall be afforded an opportunity to confer with a UNION representative if one is reasonably available, when reporting to the urine collection/breath alcohol testing site.
- 38.04 All time spent undergoing a directed drug or alcohol test shall be considered as compensable time under regular pay status, including overtime if applicable. An employee who is notified of a positive test result and requests a test of the split specimen will continue on paid status until the result of the second test is received. If the verified result is positive, the employee will be immediately taken off regular paid status, placed on a leave of absence and referred to the Substance Abuse Professional (SAP) for evaluation and treatment. Employees may use accumulated sick leave and/or vacation time during their absence for treatment.
- 38.05 A safety-sensitive employee that has been off work for 90 consecutive days or longer must undergo a pre-employment drug test and receive a negative result prior to returning to safety sensitive work. Such employee must contact his or her department at least 14 calendar days in advance of the expected

date of return. Employees will receive 2 hours' pay or pay for actual time spent undergoing the test. An employee initiating the pre-employment test as specified above who is medically cleared to return to work but is held up due to a delay in the DISTRICT not receiving the result will be paid for work time lost. An employee failing to initiate the drug testing process in advance of reporting to work will not receive pay for work time lost due to undergoing the required pre-employment test and awaiting the results until the lapse of 14 calendar days from the date of the test.

38.06 Documentation of drug and/or alcohol test results shall remain in an employee's record in accordance with the time periods set forth in the DOT FTA regulations. Upon written request, an employee may obtain copies of any records pertaining to his or her drug or alcohol tests. The DISTRICT shall provide promptly the records requested by the employee. Upon receiving a written release signed by the employee, the DISTRICT will provide the UNION with all records pertaining to the test and the reported result. The DISTRICT maintains employee record confidentially in accordance with all applicable DOT FTA regulations. Except as may be authorized or required by law, and as permitted herein, any release of this information is prohibited without the express written permission of the employee tested.

38.07 Positive Drug or Alcohol Test Result

The following represents the steps undertaken by the DISTRICT and employee in the event of a positive drug or alcohol test result.

- a) The District will notify the employee of a verified positive test result.
- b) The District will notify the employee of a scheduled appointment with the SAP. The employee's attendance and participation at the appointment and in the treatment program as recommended by the SAP are mandatory.
 - (i) If the District is notified that the employee failed to complete the program as specified by the SAP, then the employee is discharged from employment.
- c) The employee completes the treatment program specified by the SAP.
 - (i) If the employee tests negative on a Return-to-Duty test, he or she is returned to work and is subject to unannounced drug and/or alcohol testing as determined by the SAP. Such testing is in addition to the other program testing and shall be a minimum of six (6) unannounced tests during the first year.
 - (ii) If the employee has a positive Return-to-Duty test, then the employee is discharged from employment.

- d) After returning to work:
 - (i) If an employee receives notice of a verified positive drug or alcohol test during the follow-up testing period for any reason, then the employee is discharged from employment.
 - (ii) If the employee has no verified positive test during the follow-up testing period, then the unannounced follow-up testing is discontinued.
- e) A second positive drug and/or alcohol test, for any reason, in violation of the DOT/FTA Drug and Alcohol Testing and Regulations or District's Drug and Alcohol Testing and Rehabilitation Policy, during an employee's length of employment with the District will result in termination from employment.

38.08 Voluntary Request For Substance Abuse Treatment

The DISTRICT provides a drug and alcohol rehabilitation program for employees needing treatment for drug and alcohol abuse. Employees may voluntarily request a referral to the treatment program by contacting the Labor Relations Department. An employee voluntarily seeking treatment will be placed on a leave of absence and may utilize his or her accrued paid sick leave, CTO and/or vacation during the absence. An employee voluntarily seeking and entering a treatment program must successfully complete the program requirements or be subject to termination from employment. An employee notified to undergo a drug or alcohol test may not seek treatment under this voluntary treatment procedure. An employee may undergo voluntary treatment a maximum of 2 times during his or her length of employment with the District.

The following represents the steps undertaken by the DISTRICT and employee in the event of a voluntary request for referral to the substance abuse treatment program:

- a) The employee voluntarily requests rehabilitation for a drug/alcohol problem.
- b) The employee is scheduled for an appointment with the SAP. The employee begins a designed treatment program.

ARTICLE 41 – DISCIPLINARY ACTION

ARTICLE 41 – DISCIPLINARY ACTION

41.01 Generally, the DISTRICT subscribes to the principles of progressive disciplinary action when deemed necessary to correct employee conduct in the performance of his or her job. All disciplinary action meted out will be based upon the principles of just cause, as deemed sufficient and appropriate by the DISTRICT. Such disciplinary action may consist of the following corrective steps:

- a) Oral Warning
- b) Written Warning or Reprimand
- c) Suspension From Employment Without Pay
- d) Termination From Employment

41.02 Nothing herein shall be construed as to limit the DISTRICT'S ability to administer a level of disciplinary action, including termination from employment for behavior, the nature of which warrants a level of discipline outside the ordinary progression steps. Examples of such behavior constituting such discipline includes the following:

- a) Possession and/or Consumption of any alcoholic beverage while on duty, whether or not found to be in violation of the DISTRICT'S DOT FTA Drug and Alcohol Testing Policy.
- b) Fighting (excluding for ones defense) or engaging in acts that provoke a fight with another employee or member of the public while on duty.
- c) Hostile or aggressive acts of insubordination.
- d) Unlawful discrimination, including harassment, on the basis of race, religious creed, color, national origin, ancestry, disability, marital status, sex, sexual orientation, veteran status or age, against the public or other employees.
- e) Theft, misappropriation, or misuse of DISTRICT funds or property.
- f) Negligent conduct that jeopardizes the health and/or safety of another employee or member of the public.

- l) Unlawful retaliation against any DISTRICT officer or employee or member of the public who in good faith reports, discloses, divulges, or otherwise brings to the attention of the Attorney General or any other appropriate authority any facts or information relative to actual or suspected violation of any law of this state or the United States occurring on the job or directly related thereto.
- m) Fraud in securing appointment.
- n) Improper political activity in violation of state or federal law.
- o) Conviction of a felony or a misdemeanor involving moral turpitude. A plea of guilty or a conviction following a plea of nolo contendere is deemed a conviction for this purpose.

41.03 No complaint will be used for discipline unless written and signed by the complainant, and conforms to all requirements of Section 41.04. Before suspension or discharge is assessed, the employee and his or her representative will be allowed to question all witnesses. The presence or absence of any other complaints or charges entered on the employee's record in the preceding year, except as modified by Section 41.05 below, and in accordance with all requirements of Section 41.04, will be considered before assessing suspension or discharge. Nothing in this Agreement shall prevent management from discussing with an employee a complaint or charge that does not conform to these requirements. The UNION shall be given copies of all signed complaints pertaining to employees.

41.04 An employee whose act(s) or omission(s) warrant the administration of disciplinary action will be presented with a 'Charge Letter' within 10 business days of the infraction or 10 business days from when the infraction became known or should have been known by the employee's supervisor. The Charge Letter will describe the infraction and level of disciplinary action. Notice of such charge shall be in writing and delivered personally, or sent by certified

mail to the employee's last known address. Date of receipt of the Charge Letter shall begin the time limits. A copy of the charge letter will be sent to the UNION. An employee contesting the proposed disciplinary action or the level of discipline may file a grievance pursuant to the procedure set forth in Article 42.03, Formal Grievance, Step 1.

41.05 The employee will be afforded 5 business days, from the date of receipt of the Charge Letter, to schedule an appointment, in which to present, orally or in writing, his or her response to the acts or omissions on which the discipline is proposed. The employee's response will be taken into consideration in whether or not to continue, modify or eliminate the disciplinary action. The final decision of the DISTRICT will be issued to the employee and UNION, in writing, within 10 business days. An employee contesting the disciplinary action or the level of discipline may appeal the decision pursuant to Article 42.04, Formal Grievance, Step 2.

41.06 Copies of all disciplinary documentation shall be forwarded to the Human Resources Department for filing in the employee's personnel file. 1. Written Warning one (1) year
2. Final Written Reprimandeighteen (18) months
3. Suspension without pay three (3) years

Disciplinary action involving statutory violation shall be retained in the employee's personnel file indefinitely. It shall be the responsibility of the employee to request in writing, through the Labor Relations Department or Human Resources Department, that outdated disciplinary documentation be removed from his or her personnel file after the required time period has passed.

41.07 When an employee is discharged in accordance with the terms of this Agreement and is not restored to employment as the result of grievance procedure or otherwise, the DISTRICT shall not be required to pay the employee for the 5 days notice period. In accordance with the terms of this Agreement, no discharge will be effective until the end of the 5 day notice period.

41.08 If upon review of a suspension or a discharge, it is found that an employee was improperly suspended or discharged, he or she shall be reinstated to his or her former position without loss of seniority and with all of the salary he or she would have earned had he or she not been suspended or discharged, paid to him or her. If the review should show that a penalty was justified, but the penalty imposed was too severe, the employee shall be returned to duty as above, and that portion of his or her lost salary, which was determined to be excessive, shall be paid to him or her. It is agreed that, if it is found that the discipline was improperly assessed, no entry shall be made on the employee's record of such discipline; if the discipline was properly assessed, but found to be excessive, proper notations shall be made in the employee's records.

ARTICLE 42 – GRIEVANCE PROCEDURE AND ARBITRATION

ARTICLE 42 – GRIEVANCE PROCEDURE AND ARBITRATION

42.01 Definitions

Grievance: A claimed violation, misapplication, or misinterpretation of a specific provision of this Memorandum of Understanding (MOU), a misinterpretation of District Policy and procedures, or a disciplinary action, which adversely affects the grievant or a group of similarly situated employees. In such latter case, the grievance may be consolidated and presented as a single grievance.

Grievant: May be an employee, a group of employees, or the Union.

42.02 Informal Discussion

An employee may request an informal discussion with the management representative at the level which the act being grieved was initiated. The informal discussion does not extend the time limits requirement outlined in Article 42.03, Formal Grievance, Step 1.

42.03 Formal Grievance – Step 1

- 1) An employee, a group of employees, or the UNION, who has a grievance, shall fill out a grievance form provided by the UNION. The grievance shall be written up with a clear indication of the question(s) raised by the grievance and the article(s) or sections(s) which have been violated. The grievance form shall be signed by the grieving employee and/or the UNION Representative. The written grievance shall be dated and signed as received by the appropriate Management Representative.
- 2) The initial written grievance must be presented within 10 business days after the employee receives notice, either orally or in writing of the DISTRICT'S adverse position, or within 10 business days after the employee could reasonably have been expected to know he or she had a grievance, or sooner.
- 3) The Management Representative receiving the written grievance shall schedule a hearing within 10 business days, and shall present his or her decision in writing within 10 business days after the date of the hearing, and such decision shall state the facts upon which his or her

decision is based, including the remedy or correction offered, if appropriate.

- 4) The Grievance Appeal Protocol will generally be as follows:

Step 1 Department Manager/Manager/Director

Step 2 Division EMT Member

Step 3 General Manager or his designee (other than EMT at the second step).

Step 4 Arbitration

In the event a charge letter is issued, the grievance appeal procedure shall be the same as above.

42.04 Formal Grievance – Step 2

If the grievant and/or the UNION Representative are not satisfied with the decision rendered at the First Step, then the grievance shall be presented to the appropriate Management representative within 5 business days, and a hearing scheduled within 10 business days. The Management representative shall present his or her decision in writing within 10 business days after the hearing, and shall state the facts upon which his or her decision is based, including the remedy or correction offered, if appropriate.

42.05 Formal Grievance – Step 3

- 1) If the grievant and/or UNION Representative are not satisfied with the decision rendered at the Second Step, then the grievance shall be presented to the General Manager/CEO, or designee, within 5 business days, and a hearing held within 10 business days.

The General Manager/CEO, or designee, shall present his or her decision in writing within 10 business days after the hearing, and shall state the facts upon which his or her decision is based, including the remedy or correction offered, if appropriate.

42.06 Grievance Time Limits

- 1) Time limits in this Article may be extended by mutual agreement.
- 2) Failure of either party to comply with time limits as set forth above will serve to declare the grievance settled in favor of the other party and no further grievance action can be taken.

42.07 Binding Arbitration

- a) If a grievance is not settled in accordance with the foregoing procedure, the UNION may refer the grievance in writing to binding arbitration within 30 business days after receipt of the GM/CEO's (or designee's) answer in Step 3. The parties shall attempt to agree upon

an arbitrator within 5 business days after receipt of the notice of referral. In the event the parties are unable to agree upon an arbitrator within the 5 business day period, the parties shall jointly request that the California State Mediation and Conciliation Service (CSMCS) submit a panel of 7 arbitrators. Representatives of the DISTRICT and UNION shall alternately strike names from the list until one remains who shall be the arbitrator. The order of striking names from the list shall be determined by a coin toss. The CSMCS shall be notified of the selection and direct the arbitrator to contact the designated representatives of the DISTRICT and UNION. The hearing shall be scheduled at a date, time and place mutually acceptable to the arbitrator, DISTRICT and UNION. Unless the parties agree otherwise, all arbitration hearings will be held in Sacramento, California.

- b) The arbitrator shall act in a judicial, not legislative capacity and without express agreement by the parties, shall have no authority to recommend to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. He or she shall only consider and make decisions with respect to the specific issue(s) submitted and shall have no authority to make a decision on any other issue(s) not so submitted. In the event the arbitrator finds a violation of the terms of this Agreement, he or she shall fashion a remedy. The arbitrator shall be without power to make a decision contrary to or inconsistent with or varying in any way the application of laws, rules and regulations having the force and effect of law. The arbitrator shall submit his or her written decision within 30 calendar days following the close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The decision shall be based solely upon the interpretation of the meaning and application of the express terms of this Agreement to the facts of the grievance presented. A decision rendered consistent with the terms of this Agreement shall be final and binding on all concerned.
- c) The fees and expenses of the arbitrator, the cost of a transcription service, and the cost of the hearing room, if applicable, shall be divided equally between DISTRICT and UNION.
- d) Either party may call any employee as a witness, and such employee if on duty, shall be released from duty for the purpose of such appearance. Such employee shall suffer no loss of pay, nor incur overtime. The Grievant shall be released and similarly compensated.

The award shall be final and binding, but shall not be used as a precedent in any other case.
 - e) The fee and expenses of the arbitrator and reporter shall be shared equally by the parties.
