

REGIONAL TRANSIT ISSUE PAPER

Agenda Item No.	Board Meeting Date	Open/Closed Session	Information/Action Item	Issue Date
7	06/25/12	Open	Action	06/11/12

Subject: Authorizing Solicitation of Bids for Onboard Video Surveillance System

ISSUE

Whether or not to authorize solicitation of bids for Onboard Video Surveillance System.

RECOMMENDED ACTION

Adopt Resolution 12-06-___, Authorizing Solicitation of Bids for Onboard Video Surveillance System.

FISCAL IMPACT

None as a result of this action. Fiscal Impact information will be provided when the award of bid is brought to the Board for action.

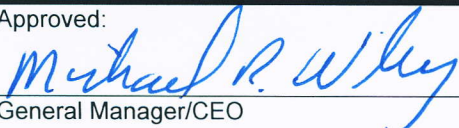

DISCUSSION

Sacramento Regional Transit (RT) received a grant from the CalEMA Transportation Security Grant Program (CTS GP) in the amount of \$525,000 for the upgrade of Digital Video Recorders (DVRs) in all of RT's Siemens and CAF light rail vehicles (LRV's). The replacement of DVRs is necessary to accommodate the planned installation of in-cab cameras, mandated by the California Public Utilities Commission (CPUC) General Order (GO), #172.

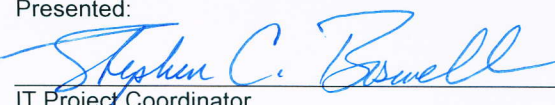

The system that RT will procure will include the installation of Wi-Fi antennas in LRVs to automatically download "tagged" video when LRVs are parked at Metro and RT storage yards throughout the system. The system will also include software and training. The proposed contract will include specific performance periods to verify the Contractor's performance as well.

Staff recommends Board approval to authorize the solicitation of bids for the Onboard Video Surveillance System (DVRs).
