Subject: Suspending Fares on the Holiday Bus

ISSUE

Whether or not to suspend fares on the RT Holiday Bus from December 1, 2012 through January 6, 2013.

RECOMMENDED ACTION

Adopt Resolution No. 12-10-_____, Suspending Fares on the RT Holiday Bus from December 1, 2012 through January 6, 2013.

FISCAL IMPACT

There is an estimated loss of cash fares totaling \$6,357 in District revenue for suspending fares on the Holiday Bus and complementary paratransit service. The estimate is based on the number of "lost" cash fares on an average route multiplied by 36 days.

DISCUSSION

Each year, RT operates its popular Holiday Bus during the holiday season. Similar to years past, the exterior of the bus is hand-painted in a colorful holiday design by RT employees, their families and friends. The Holiday Bus circulates on a different route each day throughout the holiday season.

The purpose of this promotion is to encourage the public to ride transit and to thank RT's regular riders for their patronage. Staff believes that the free rides on the Holiday Bus are viewed positively by the community, thus enhancing RT's public image.

During the past seven years, RT has suspended fares on the Holiday Bus and collected donations via the farebox for a designated social service agency. RT would like to once again offer the opportunity for passengers to either donate a cash contribution or a non-perishable food item to the River City Food Bank (RCFB), in lieu of paying a fare. All contributions would be donated to RCFB, which is a non-profit organization providing emergency food and housing assistance. RCFB is one of the few food closets open five days a week and serves approximately 40,000 clients in Sacramento County annually. Last year, nearly \$1,700 was raised (the highest amount in the campaign's history) and several hundred pounds of food was collected for this charity. With an unstable economy, RCFB expects that there will be a continued need for emergency food and housing assistance this year in the Sacramento region.
