## DISCUSSION

A portion of the property located at 7741 Laurie Way, (Sacramento County Assessor's Parcel Number 053-0074-003) is needed for construction of RT's South Sacramento Corridor Phase 2 Project (SSCP2).

On March 26, 2013, pursuant to authority granted by the Board, RT mailed a formal offer in the amount of its approved appraisal to the owner-of-record to purchase a portion of the subject property pursuant to Government Code Section 7267.2. Negotiations with the owner are ongoing. However, RT and RT's real estate consultant believe that moving forward with a Resolution of Necessity is in the best interest of the project because RT and the owner have not come to terms.

State law requires that RT hold a public hearing regarding the intent to adopt a Resolution of Necessity prior to filing an action in eminent domain, give notice to all persons listed on the last equalized County assessment roll, and allow at least 15 days for owners to respond to the notice. At the hearing, staff will present the need and necessity for the property. Owners and any others with an interest in the property will be given an opportunity to be heard. Adoption of the Resolution of Necessity requires a two-thirds vote of the Board.

The action currently before the Board is setting the date and time for the public hearing, which will be held at the regularly scheduled Board meeting on August 12, 2013. Staff recommends approval of the attached resolution setting a public hearing for adoption of a Resolution of Necessity for the property located at 7741 Laurie Way (APN: 053-0074-003).
