DISCUSSION

On December 8, 2014, the RT Board of Directors approved the release of an Invitation to Bid (ITB) for purchase of 116 light rail vehicle tire kits for use on RT's Siemens and CAF LRV fleets. The LRV tire kits are a standard inventory item and consist of a tire, rubber blocks, electrical shunts, and hardware. On December 24, 2014, the bids were advertised in publications of general circulation and mailed to three vendors. On January 22, 2015, RT received 2 bids. The 2 responsive and responsible bids were:

<u>Contractor</u>	<u>Bid Amount</u>
Siemens Industry, Inc.	\$303,862.00
Penn Machine Company	\$304,210.00

Staff has determined that Siemens Industry, Inc. is the lowest responsive and responsible Bidder. A notice of Intent to Recommend Award of Contract was issued to Siemens Industry, Inc. on January 23, 2015.

Pursuant to the revised Disadvantaged Business Enterprise (DBE) regulation in 49 CFR Part 26 and RT's revised DBE Program, due to limited subcontracting opportunities, no DBE participation goal was set for this procurement.

Staff recommends the Board authorize award of a Contract to Siemens Industry, Inc. for an amount not to exceed \$303,862.00, plus applicable sales tax.
