

**San Joaquin Joint Powers Authority Meeting (SSJPA)
July 27, 2018**

Meeting Summary

The San Joaquin JPA met on Friday, July 27, 2018 in Sacramento.

Welcoming remarks were made by Sacramento Vice Mayor Steve Hansen, followed by an informational presentation by City of Sacramento staff member Jennifer Donlon Wyant on the City's Active Transportation Program.

Former City Councilmember and SacRT Board Member Steve Cohn delivered an informational presentation on the Sacramento Regional Rail Working Group, which was recently formed to facilitate interagency coordination on passenger rail issues in the Sacramento region.

Presentations were made by Capital Projects Director Kevin Sheridan and Executive Director Stacey Mortensen on the need for and development of an agreement between the SJJPA and the San Joaquin Regional Rail Commission (the governing body of the Altamont Commuter Express train service) specifying roles and responsibilities with respect to project delivery and ownership of the Valley Rail Program, which was recently awarded the large \$500 million TIRCP grant to expand train service.

The next meeting of the SJJPA will be held on September 28, 2018.
