

General Manager's Report April 12, 2010

FEDERAL UPDATE

This week, Members of Congress are back in their districts for the next two weeks. Prior to the "district work" departure, both the House and Senate passed their versions of a tax extenders package included in "Jobs" legislation. This legislative vehicle carries a one year extension of the CNG tax credit. The House (HR 4849) and Senate (HR 4213) versions are significantly different and a final bill will have to be worked out in conference. The original CNG tax credit expired on December 31, 2009 and should the CNG piece of the tax extenders package survive a House-Senate conference, it will extend the credit until December 31, 2010.

STATE UPDATE

No report - Legislature concluded their annual Spring Recess and reconvened on April 5, 2010.
