DISCUSSION

The Board approved the Draft Short Range Transit Plan (SRTP) for public circulation at the April 11, 2011 Board meeting. The Board conducted a public hearing on May 23, 2011 and then adopted a motion to continue the hearing to the June 27, 2011 Board meeting.

RT staff has been working with the Sacramento Area Council of Governments (SACOG) to develop a funding strategy to purchase and/or refurbish the vehicles needed to return service back to pre-June 2010 service levels. At this time, staff has prepared a number of scenarios and, at the request of SACOG, is reviewing these scenarios with SACOG prior to completing staff's work on the SRTP. Staff requests that the Board continue the public hearing to the RT Board meeting on Monday, July 25 to give staff and SACOG adequate time to fully analyze the scenarios and finalize the SRTP for presentation of a final document for adoption.

Staff hereby requests that the Board adopt a motion to continue the public hearing to Monday, July 25, 2011.
