## DISCUSSION

Former lieutenant, Mark Sakauye, was assigned to RT by the Sacramento City Police Department to serve as the supervising lieutenant responsible for overseeing RT's Police Services Department (RTPS) from 2001 to 2010. Due to Lt. Sakauye's in-depth knowledge of security administration, RT contracted with Lt. Sakauye after his retirement from the Sacramento Police Department in October 2010. Lt. Sakauye currently works under the direct supervision of RT's Chief Operating Officer on the following assignments:

- Development of a recommended RTPS budget
- Monitoring RTPS's budget and appropriations and maintaining personnel and equipment at a level consistent with budgeted allocations
- Oversee the administration of RT's System Security Program Plan including the performance of specific security tasks as well as monitoring and providing support for the system security activities and training throughout RT.
- Serving as the head of the Security Committee and the liaison between the Security Committee and RT
- Advising RT on confidential internal investigations pertaining to alleged criminal conduct by RT employees
