No Recommendation - For Information Only.

RESULT OF RECOMMENDED ACTION

Under SacRT's Board-adopted Investment Policy, the Treasurer for the Sacramento Regional Transit District (SacRT) is required to submit a Quarterly Treasurer's Report to the Board of Directors. The report fulfills this requirement and certifies that SacRT has sufficient funds available to meet its expenditure requirements for the next six months.

FISCAL IMPACT

None as a result of this report.

DISCUSSION

The Quarterly Treasurer's Report (Attachment 1) for the quarter ended September 30, 2024, provides the depository, maturity date, par value, current market value, and estimated annualized interest earnings for SacRT's investments. California Government Code 53646 allows but does not require submission of a quarterly Treasurer's Report; in the adopted Investment Policy (Resolution 12-10-0162), the Board made the Treasurer's Report a mandatory requirement (Section VI). This informational report fulfills that requirement.
